

# KATHMANDU UNIVERSITY

School of Engineering

Master Degree Programs (Master of Engineering (ME) in Computer Engineering, Master of  
Technology in Information Technology (MTech IT)

Call for Application for Admission 2018

## Information for the Applicants

### *Program Specific Application Eligibility and Selection Procedure:*

**Department Responsible:** Department of Computer Science & Engineering

**Intake Capacity:** ME (10), MTech IT (10)

**Application Eligibility Criterion:**

#### **For ME in Computer Engineering**

Candidate with four-year Bachelor Degree in Computer Engineering with 50% marks on aggregate or CGPA of 2.0 out of 4.0 grading system from any recognized institution.

#### **For MTech in Information Technology**

Candidates with score of at least 50% in aggregate or CGPA 2.0 out of 4.0 grading system from any recognized institution, and

- Undergraduate in Engineering / Technology / Architecture / Computer Application (with honors), or
- Total of at least 16 years of education with science background, or
- M.Sc. in Physics, Chemistry, Mathematics, Statistics or any other related field.

### **Selection Procedure:**

**Shortlisting of the candidates followed by an oral interview test.**

### *Additional Information:*

#### **Fees and Payment Information:**

Total course fee for the two year (4 semesters) study period is **NRs 367,000/-** (ordinary Nepalese student fee. The fee for sponsored candidate is 1.5 times the ordinary fee. Fee for SAARC country

international candidate is 1.5 times the regular fee and for other country is 2.0 times the regular fee. Extension of period of study may subject to requirement of payment of additional fees for the extended study period.

Fee to be paid at the time of admission for ordinary Nepalese student is about **NRs. 121,000/- (exact to be informed at the time of admission)** that includes first instalment of first semester fee. Rest of the fee shall be paid in two instalments per semester.

### **Financial Aid and Scholarship/Assistantship:**

Graduate students are in general given opportunity of teaching assistantships or research assistantship based on their status, ability, experience, and need of the enrolled departments. The assistantships are generally provided to cover part of the fees of the student unless otherwise agreed.

Additional sponsorship, scholarship or assistantship may be available depending on availability of such provision for any particular program. Contact the department for such provisions.

### **Provisional Application**

Candidates who are awaiting the final results of their highest qualifying degree and expect that the result will be published within a month of admission can also apply on a provisional basis.

### **Tentative Schedule of Admission Process**

<b>Schedule</b>	<b>Date/Period/Deadline</b>
<b>Application period</b>	6 <sup>th</sup> – 26 <sup>th</sup> November 2018
<b>Application deadline</b>	26 <sup>th</sup> November 2018
<b>Publication of list of shortlisted candidates for interview</b>	30 <sup>th</sup> November, 2018
<b>Oral test Interview of shortlisted candidates</b>	3 <sup>rd</sup> December, 2018
<b>Publication of admission list</b>	6 <sup>th</sup> December, 2018
<b>Admission closing</b>	12 <sup>th</sup> December, 2018
<b>Orientation for admitted students</b>	13 <sup>th</sup> December, 2018
<b>Classes start on</b>	16 <sup>th</sup> December, 2018
