

Aviyantaa'17 and 6th Anniversary of Turbine Testing Lab

Department of Mechanical Engineering kicked-off Aviyantaa'17 on 23rd November, 2017. Aviyantaa is a project exhibition of undergraduate students of Mechanical Engineering Department held every year. On this day, Turbine Testing lab (TTL) also marked its 6th anniversary. The release of the magazines of Aviyantaa'17 and 6th anniversary issue of TTL was done at TTL Auditorium.

The program was attended by Mr. Kulman Ghising and Mr. Hridaya Dev Shakya, from Nepal Electricity Authority. Similarly, Norwegian guests, Prof. Ole Gunnar Dahlhaug from Norwegian University of Science and Technology and his team showed their valuable presence in the program. The program started with the welcome speech of Associate Prof. Hari Prasad Neopane. It was followed by the presentation on Ongoing and Recent Activities of TTL by Mr. Sailesh Chitrakar. Then, the 6th Anniversary issue of TTL was released by Prof. Bhola Thapa and Mr. Ghising, whereas Aviyantaa'17 issue was released by Prof. Dahlhaug and Prof. Dr. Makaju. The program was followed by the remarks from Prof. Dahlhaug, Mr. Ghising, Prof. Dr. Makaju and Prof. Thapa.

The exhibition took place around Technical Training Center (TTC) premises.
