Subject: Application call for Participation in one day International Symposium

Turbine Testing Lab is organizing a one day International Symposium on "**Current Research in Hydraulic Turbines, CRHT-II**". This is the continuation of the first Symposium organized on 23 March 2010.

The scope of Symposium is focused at PhD and Masters Students thesis works related to Hydro turbines. However, R&D activities related to hydro power in general will also be covered. The main objective of this symposium is to bring young researchers working in hydropower sector to a common platform to share their research experiences and also develop networking for future endeavors.

During this seminar there will be 13 presenters from NTNU, Norway and equal numbers of participants from School of Engineering KU and Institute of Engineering, TU.

The schedule of event is planned as follows:

Date: 19 March 2013, Tuesday

Time: 9:30 am onwards (detailed time schedule will be produced later)

Venue: Room number 202, SOE block, KU, Dhulikhel

Fee: Free Registration (Tea, Snacks and lunch will be served to participants)

All the interested students and researchers are welcomed in this symposium as a presenter or as a participating audience. Both the presenters and participating audiences can reserve their seat by filling up the respective form available online at www.ku.edu.np/ttl. The last date of submission of form is 15.03.2013

Best Regards,

Biraj Singh Thapa
Asst. Professor and Faculty In-Charge
