

Turbine Testing Lab
Department of Mechanical Engineering
Kathmandu University

Subject: Application call for interested candidates for Full Time Research Assistant

This is to notify that Turbine Testing Lab (TTL) is undertaking RenewableNepal Project (RENP-1095) entitled “**Capacity Development for Utilization of Reversible Pump Turbines in Nepalese Hydropower Projects**”, in collaboration with Chilime Hydropower Company Limited, for one year, starting from August, 2013.

Hereby, TTL calls application from interested Bachelor graduate applicants with strong motivation and relevant working experience to work as the Full Time Research Assistant for this project.

Application along with CV and cover letter should be submitted to TTL office before 25 August 2013.
