Biraj Singh Thapa  
Assistant Professor & Faculty In Charge  
Turbine Testing Lab  
Department of Mechanical Engineering

## Presentation Schedule

Project Presentation of *Community Based Engineering Projects* of Mechanical Engineering Second year Students will be conducted as per following schedule at the Mechanical Engineering Department Room No. 504

S.No.	Project Title	Time
1	Develop Maintenance and Monitoring Procedures for Water Mills	9:30 - 12:00
2	Design, Fabrication and Installation of Improved Water Mill runner	
3	Utilization of solar energy for improving living standards in rural communities.	
4	Identification of a Site for Micro-Hydropower Plant Installation and its Feasibility Study	
5	Design of Mechanical Water Pump for irrigation	
	<b>BREAK</b>	12:00 - 13:00
6	Design of Solar Water Pumping system for rural community	13:00 - 16:00
7	Performance Evaluation of Improve Cooking Stoves in Rural Nepal	
8	Survey of utilization and status of Bio Gas Energy Systems in TamaKoshi region	
9	Identification and Exploration of Manufacturing Process Practiced in Rural Nepal	
10	Identification and Improvements of a Rural Industry Based on Ancient Technology.	
11	Need Assessment of Technical Training Required for Community Around Tamakoshi Area	

Note: Each project group will have 15 minutes for presentation and 5 minutes for question-answer session.
