Notice Announced for Geomatics Engineering for Admission

School of Engineering announces additional notice for BE in Geomatics Engineering program. Following 3 types of scholarships supported by Government of Nepal through Land Management Training Center (LMTC), Ministry of Land Reforms and Management are available in Geomatics Engineering and seats are allocated according to that. Candidates in the KUCAT 2012 merit list published on August 4, 2012 can apply for only one category as per their eligibility. Contact the Geomatics Engineering Program, Department of Civil and Geomatics Engineering for further information and submit additional form within 9th August 2012.
